

# Gas Safety

## Good Idea

Remind your parents to gently brush snow and ice off your home's gas meter in the winter.

## Bad Idea

Asking your parents to brush snow off of you in the winter.

## Good Idea

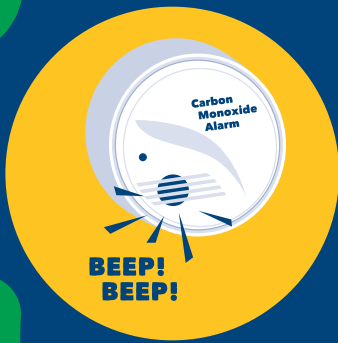

Ask your parents to show you all the gas appliances in your home.

## Bad Idea

Taking all the gas appliances to school for Show & Tell.

## Good Idea

Encourage your parents to buy and install a carbon monoxide alarm in your home.

## Bad Idea

Buying the carbon monoxide alarm, but forgetting to install it.
